Don't know which health plan to choose? MyHealthMath can help!

With a quick 15 minute interview, MyHealthMath can help reveal your financially optimal plan.

Here's how it works:

- Click this scheduling link, which brings you to a website where you can book a time slot.
- An analyst will call you at the time of your appointment to discuss the basics of your medical usage. *
- Our system will generate a personalized report that presents each plan in order of estimated total cost.
- You'll receive your report by email.

*These interviews are completely confidential, and your personal information is never shared. MyHealthMath uses aggregated, de-identified information in its analytics. No personal financial information, addresses, or SSN are required.
